

Editing:

Editing Criteria

***The purpose of editing is to improve your manuscript.**

Review each of the following:

Character	Well developed Needs work
Plot	The story has a strong set-up The set-up needs work The problem is clear I can't tell what the problem is The middle of the story is strong The middle of the story needs work The solution or end is clear The solution or end needs work
Language	At least one comparison was made in the story The story would be improved through the use of descriptive language
