

Fold over the pictures when trying to guess the riddles. Make up your own riddles based on factual information.

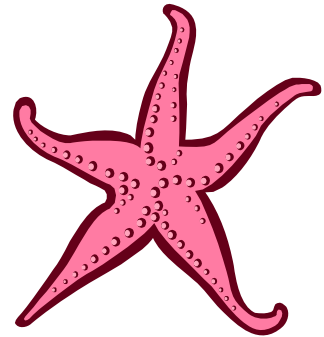

I borrow a shell for my home.
When I outgrow my home, I
find a new one.

Who am I?

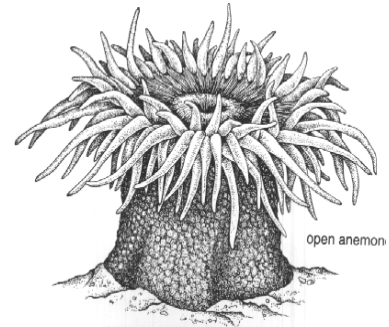

I am related to sand dollars
and sea urchins. If one of my
arms gets cut off or eaten by a
predator, I can regrow a new
one.

Who am I?

I look like a tide pool plant, but I
am an animal.

Who am I?

I can see six times better than
you and can fly as fast a car
usually drives on the freeway.

Who am I?
